ISSUE:

Award a bid to FTSI Fisher Technical Services, Inc (“FTSI”) for the Hale Theatre center stage lift repairs.

SYNOPSIS:

FTSI is considered to be a sole vendor providing this service. The only responsible bid was received by FTSI for the amount of \$91,459.19

BACKGROUND:

The Hale Theatre center stage is a unique stage and there are few companies qualified to do repairs on this lift. The lift is deemed unsafe at this time and very unpredictable for operation. The original lift provider, Gala Industries, from Canada is no longer able to provide repair service. The only other option is FTSI from Las Vegas who willing and able to provide this repair service on the lift. FTSI will fix the lift and the communications aspect to a safe and proper operation.

Repairs and cost s are as follows:

Design and Engineering	\$20,135.00
8 Axis Turntable Enclosure with Wireless Interface	\$24,943.65
Single Axes Controllers (2)	\$ 2,386.54
Existing Axis Retrofit Parts 9 Each	\$ 5,076.00
Navigator System	\$36,878.00
Setup and Testing	\$ 2,040.00
Grand Total	\$91,459.19

RECOMMENDATION:

Award the bid for the repairs of the lift to Fisher Technical Service, Inc. for the amount of \$91,459.19.
